I have known Ms Hennes for over 2 years and I would like to attest to several qualities & characteristics which will make her a good candidate for your program.

(1) **Intelligent:** Ms Hennes possesses a bright mind; a questioning mind; a mind that synthesizes experience and knowledge returning the result in a cogent form: action or thought whichever mode is the answer to the question she has tackled.

(2) **Persistence:** Ms Hennes conceives a goal and tenaciously pursues it. She always finds a solution; always sees a way to improve herself + situations.

(3) **Maturity:** A wife, a mother, a writer and an accomplished student -- all of these facets of her life repeatedly attest to her reasoned and prudent capacity (ies) for achievement.

(4) **Congruity:** She is a colleague, a collaborator, a supporter, a willing participant. I recommend her to you without reservation.
